SUDHIR AGGARWAL  
(C.E.O Kailash Group)

We have our own import unit as well as local manufacturing house to produce and sell Holi Pichkari and accessories. The Holi Pichkari our offer is made from superior quality natural material and is known for having exotic fragrance that can make anyone spell bound. Our Pichkari are available in attractive colours. They are customized as per the required specifications of our clients. These have special Pichkari which is filled with plain water as well as coloured water comes out of it.

#### Excellence through Quality

We are prominent one among our clients for our reliable bonding that makes us provide one of the finest and durable products. In order to do so, manufactured products are gone through various quality checks for assuring each and every aspect for betterment of the products. We have vast machinery and testing processors;

- MELT FLOW INDEX TESTING
- WALL THICKNESS TESTING
- CLOSURE LEAKAGE TESTING
- VAD INDUCTION SEALING TESTING
- DROP TESTING
- PIN-HOLE TESTING
- HANDLE STRENGTH TESTING
- STACKABILITY TESTING
- HYDROSTATIC TESTING
